RANGE FINDERS FOR INFANTRY, FOR H.M. SERVICE.

HIS ROYAL HIGHNESS the COMMANDER-IN-CHIEF is prepared to receive

Proposals from Persons

desirous of submitting for competitive trial RANGE FINDERS, which shall fulfil the following conditions, viz. :—

(1). The instrument must be strong and simple and must not require frequent adjustment, nor extraordinary precautions against the exigencies of Field Service and effects of climate and weather.

(2). It must be possible for one Infantry Soldier to carry the entire apparatus, in addition to his rifle and ordinary equipment, both on the march and in action.

(3). A person of ordinary intelligence and normal vision must be able to become an efficient range taker after a month's training.

(4). The system must be suitable for the observation of moving objects, especially troops of all arms in the usual formations up to 1200 yards distance.

(5). It must be practicable to make at least four observations per minute with an average error, at 1000 yards, not exceeding 4 per cent. of the range.

(6). The range must be read in yards without recourse to calculation.

on seeing this invitation to tender in 1888 successfully submitted a rangefinder of revolutionary design which proved to be the forerunner of all modern precision rangefinders.

In the 75 years since then, Barr & Stroud have extended their activities continually, maintaining their position as one of the world's leading manufacturers of optical, mechanical and electronic equipment for the services, industry and research.

The Navy List is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service, but as errors may occasionally occur Their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of Their Lordships,

C. G. JARRETT.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page in question. Communications should be marked "On Her Majesty's Service," and need not be stamped.

The Navy List is published twice annually in the Spring and Autumn, but the Reserves Section and Obituary are included only in the former edition which is on sale to the public.

The seniority lists of Officers on the Retired and Emergency Lists are published annually in a separate sale edition of the Navy List.

The rates of pay, regulations, &c., are contained in a special sale publication entitled "Appendix to the Navy List," which is published annually in June.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the official records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

This edition of the Navy List is corrected to include those promotions, appointments etc., promulgated on or before 18th January, 1963 as becoming effective on or before 28th February, 1963.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport and Civil Aviation lay down the following conditions relative to the wearing of the Blue Ensign :—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship ;

(*b*) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement :—

(i) in a ship other than a fishing vessel, one reservist officer,

(ii) in a fishing vessel, four reservists,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

***Note.*—"Reservists" can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy, men belonging to the Royal Fleet Reserve, Royal Naval Pensioners and Royal Marine Pensioners.**

This list contains only the names of those officers who have specifically applied to remain in the R.N.V.S.R. and who hold the new type of identity card issued by Admiral Commanding Reserves. Enquiries regarding this list should be addressed to Admiral Commanding Reserves, Admiralty, Lillie Road, London, S.W.6.

Note.—(1) In the event of a further National Emergency and subject to mobilisation requirements, members who are recalled for further service will be appointed in the substantive rank which they held on dispersal. They will, however, be styled by the rank shown in column 2.

(2) The column headed " Rank " shows rank in the R.N.V.R., except where otherwise shown.

(3) An officer who has been granted honorary promotion is distinguished by the rank being shown after his name. This entitles an officer to use such rank in civilian life, and to wear the uniform of the rank on such occasions as may be approved by the Admiralty.

KING GEORGE'S FUND FOR SAILORS

1, CHESHAM STREET, LONDON, S.W.1

The Fund is recognised by the Admiralty and the Ministry of Transport as the Central Fund for officers and men of the Royal Navy, Merchant Navy and Fishing Fleets. It makes allocations to over 120 benevolent and welfare societies covering the needs of the officers and ratings past and present, and of both sexes.

The objects of the fund are:—

(*a*) to advise which is the appropriate society or fund to deal with any individual case which may be brought to its notice;

(*b*) to assist individual applicants by providing them with the name of the appropriate charity to deal with their case;

(*c*) to give information when applied to as to the work and scope of any particular society or fund.

It also maintains the **Central Bureau for Naval Officers' Charities.**

Note: Grants cannot be made to individuals.

The King George's Fund for Sailors needs your help, but if you are in need of assistance yourself *you are invited to communicate confidentially with the General Secretary.*

ROYAL NAVAL BENEVOLENT TRUST

HEAD OFFICE: HIGH STREET, BROMPTON, GILLINGHAM, KENT

The R.N.B.T. is the central benevolent organisation for assisting the "past, present and future" men of the Royal Navy. It is administered by a central committee, and three local committees. All the powers of the Trust are vested in and exercisable by the central committee acting either directly or by delegation to the local committees namely one each for the ports of Chatham, Devonport and Portsmouth. There is also a committee of R.N.B.T. corresponding representatives on the Mediterranean station with an office at 2, Harper Lane, Floriana, Malta, G.C.

The objects of the Trust are:—

(*a*) to provide relief in cases of necessity or distress to those who have served or are serving as non-commissioned officers and men in the Royal Navy;

(*b*) to make provision of training for such persons for civil life and assistance in order that they may obtain suitable employment after leaving the Service;

(*c*) to make contribution either directly or through the agency of other benevolent or educational institutions to the care, training, maintenance and welfare of the families and dependents of such persons in cases of necessity or distress.

In carrying out its primary beneficial objects, the Trust supports and co-operates with many other organisations whose work is known to benefit Naval men and their dependants. Grants are made to maternity homes, convalescent and rest homes, homes for the aged and the disabled, children's homes and schools, training and treatment centres and many others. Father killed, drowned or deceased on duty, mother unable to look after the children. Exceptional cases.

Applications are not received until the candidates are 7¾ years of age, except under special circumstances. On reaching the age of 11 years, boys may be transferred to the Royal Hospital School, Holbrook, provided they are physically fit for the normal life of that school and are of the required educational standard. This may range from nil to a maximum of £200 on the entry of a child, but larger contributions may be required subsequently if the parents' circumstances improve. The scale is liable to alteration at any time.
